**OBJECTIVE:** I have been an iOS Dev Hobbyist for 2 years. I am very eager to make the transition to a full-time Junior iOS Developer. With your current open iOS Dev opportunity I hope I am able to land an interview to further discuss my potential fit in your company.

**EDUCATION:**

New York Institute Of Technology New York, NY (09/2004 – 05/2006)  
Completed a Bachelor's Degree in Computer Science (with honors)  
Minor – Finance  
GPA 3.81

Borough Of Manhattan Community College New York, NY (09/2000-12/2002)  
Completed an Associated Degree in Computer Science (with honors)  
Final GPA 3.7

**MOBILE DEVELOPMENT:**

- iOS: Objective-C, Swift, Xcode
- Project samples on Github. <https://github.com/alexpaul>

**WORK EXPERIENCE:**

- WhatPaint: <http://www.appstore.com/whatpaint>
- StayAerobic: <http://www.appstore.com/stayaerobic>
- KneeFit: <http://www.appstore.com/kneefit>

Self Employed New York, NY (1997 - Present)  
- involved in completing general renovations in New York City

**COMMUNITY:**

- member of the iOS Soho Meetup, New York iOS Meetup and Android NYC meetup

**HOBBIES:**

Swim, Bike, Run, Tennis, Basketball, learning new technologies.
